"Set Free"

Nothing to give
No reason to live
And so far from everything
No place to hide
No reason or pride
Theres nothing inside my heart
I just want to cry
But its all kept inside
And I don't want to live like this
So far from your side
But I just can't deny
The glory of Your name

Chorus:
And you
Saved me from myself
For I am not alone
And now I'm down on my knees
I have been set free

Now everythings changed
My life is rearranged
And I owe you everything
You paid the cost
Your life was lost
You gave your life away
Your coming back someday
And this world of hate
Will all fade away

(repeat chorus)

Been going through hard times (hard times)
But you can help me with all of mine
Although I have nothing to give
In me you still live

(repeat chorus)
