

## Radigost "Morning Star"

The abyss of forgotten dreams and desperate thoughts  
was lost in the "bright" light of half God.  
Evil embodiment of your vicious hopes,  
I was lost in the labyrinth of the being.  
Blind ones saw me and deaf ones heard me.  
They didn't know that they are part of me and I am part  
of them.  
Shining morning star, shining brighter than other stars,  
I cry in the loneliness, face to face with my thoughts.  
Can you hear me?  
Lost in the forest of desires, I walk my path with you.  
The beast hidden in your soul, the star in your mind.
