You said you'd never kill me
But the blood on the wall makes it hard to believe
And you said you wouldn't stick it to me,
But being this cool, yeah it don't come easy.

Oh yeah, oh yeah, you really got me now
Oh yeah, oh yeah

You said you'd never kill me
But the blood on the wall makes it hard to believe

And i'm hardcore, and you're not so shut up
I'm hardcore, nobody's better than me
I'm hardcore, i'll whip out my bandanna
'cause i'm hardcore, so come on and stare at me
Let's go

Oh yeah, you really got me now
Oh yeah, oh yeah

You said you'd never bleed me
But a heart that pumps no blood pumps the blood so
easy
And i know you'll never tame me,
But it's hard to tame when there's nothing to tame
You see...oh yeah
Oh yeah
Oh yeah

Because i'm hardcore and you are not (oh yeah)
I'm hardcore and you are not (oh yeah)
I'm hardcore and you are not, you're not

Because i'm hardcore and you are not (oh yeah)
I'm hardcore and you are not (oh yeah)
I'm hardcore and you are not, you're not

Because i'm hardcore and you are not
I'm hardcore and you are not
I'm hardcore and you are not, you're not

'cause i'm hardcore, 'cause i'm hardcore
'cause i'm hardcore, 'cause i'm hardcore
'cause i'm hardcore and you're not
