Perfect strangers sitting down face to face
Like we've never met before
Nothing's left between us
But the space between us
Love don't live here anymore

Faded photographs; dusty dreams
Lyn' scattered on the floor
Nothing's here to bind us
To the years behind us
Love don't live here anymore

Never sharin' nothin'
We don't care
I got nothin' close to nothin' you'd care to hear

Nail the shutters down; pull the shades
Hang a sign upon the door
There's no use pretending
There's no happy ending
Love don't live here anymore.
