Rain...
Rain falling, always falling.
Pain...
Pain hurting, never ending.
Tears...
Here come the tears of sorrow.
Fear...
Fear after day tomorrow.
Cry...
Cry when there's no use crying.
Goodbye...
Goodbye there's no use trying.

It all runs together when your loved ones are gone and
your head spins in circles and you're lyin' with your
face down in the rain.

Salvation army band, playin' in their all night stand.
Rain pourin' from the sky, blind people passin' by.
No one will help 'em out, no one will even try.

It all runs together when your loved ones are gone and
your head spins in circles and you're lyin' with your
face down in the rain.

This is his time at last. (this is his time)
His life is fading fast.
His faith has fled away. (his faith is gone)
He tries but cannot pray.
This is the way we live. (this is the way)
We take and never give.

It all runs together when your loved ones are gone and
your head spins in circles and you're lyin' with your
face down in the rain.

Rain...
Rain falling, always falling.
Pain...
Pain hurting, never ending.
Tears...

Here come the tears of sorrow.
Fear...
Fear after day tomorrow.
Cry...
Cry when there's no use crying.
Goodbye...
Goodbye there's no use trying.

Someone could have helped him but no one would try
cause their pride wouldn't let them and now he's gonna
die there in the rain.

Shall we gather at the river (shall we gather at the river)
