"It Might Be You"

Time I've been passing time watching trains go by
All of my life
Lying on the sand watching seabirds fly
Wishing there would be
Someone waiting home for me
Somethings telling me it might be you
And it's telling me it might be you
All of my life

Looking back as lovers go walking past
All of my life
Wondering how they met and what makes it last
If I found the place would I recognize the face

Somethings telling me it might be you
And it's telling me it might be you
And it's telling me it might be you
All of my life

Maybe it's you, maybe it's you
I've been waiting for all of my life
Maybe it's you, maybe it's you
I've been waiting for all of my life
