I will sing to you my love song
Will write to you a poem
I will give you my everything
Just don't leave me all alone
I will take you to heaven
And offer you the stars
I will give you my all
I love you with all my heart

Im not gonna make you cry
I'll alway's be by your side
Even if the world will turn it's back on you
When your down and you've got
Nobody to hold on to
Take my hand and i will take you there
Hold on tight coz we will go somewhere

Im not gonna make you cry
I'll alway's be by your side
Even if the world will turn it's back on you
When your down and you've got
Nobody to hold on to

Im gonna take you to a place
Where even angel's can't disturb
So listen to me and feel the love
I have for you so here it goes

Oh La La La Love..
La La La La La La La La La La La La La La Love
Oh La La La Love

So listen to me and feel the love
I have for you and here it goes

You're every where i go
You're everything i see
The two of us together
Make a perfect harmony

Oh La La La Love

So listen to me and feel the love
I have for you and here it goes
You're everywhere i go
You're everything i see
The two of us together
Make a perfect harmony

I will sing to you my love song..will write to a poem
(Make A Perfect Harmony)
I will give you my all..I love you with all my heart
(Make A Perfect Harmony)
And I Make A Perfect Harmony
