Do I have to say a thousand words?
Just to prove to you all my love that I'm through yours

Do I have to walk with u down the aisle?
Just to prove that I'm worthy of your smile

Do I have to be somebody and pretend?
Do I have to own my princess down the end?
Do I have to wait or live all life or will you let me wait the
rest of my life?

Do I have to walk with u down the aisle?
Or do I have to walk away without your smile?

Smile
My beautiful princess of disguise
Why do you let me sacrifice?
Princess of disguise
Tell me why
My beautiful princess of disguise
Why do you let me sacrifice?
Princess of disguise tell me why

Do I have to walk with u down the aisle?
Or do I have to walk away without your smile?

Nananananana€!

Why do you let me sacrifice?
Princess of disguise
Tell me why
My beautiful princess of disguise
Why do you let me sacrifice?
Princess of disguise tell me why
Tell me why
Oh€|why
