Eh, oh, oh yeah yeah yeah, eh

Friends tell me I am crazy That I'm wasting time with  
you You'll never be mine

That's not the way I see it Cuz I feel you're already mine  
Whenever you're with me

1 - People always talk about reputation I don't care what  
you do to them Just be good to me

Friends are always telling me You're a user I don't care  
'bout your other girls Just be good to me

You may have many others But I know when you're with  
me You are all mine

Friends seem to always listen To the bad things that  
you do You'll never do that to me Oh no, no, no

Repeat 1

Life is a game of chances So I'll take my chance with  
you And you I won't try to change

We talk about it and I Rather have a piece of you Then  
to have all of nothing

So just be good to me And in the morning (just be good  
to me) In the afternoon oh baby, yeah Just be good to  
me

I'm not the jealous type And I won't let you down when  
you need me I'll be around, I'll be good to you You'll be  
good to me We will be together, be together

Repeat 1

I'm not the jealous type I won't let you down when you  
need me, babe I'll be around, I'll be good to you You'll  
be good to me We will be together, be together

Ad lib until fade
