my radio, goes on and on my radio, it wont be long

-2- somebody, somebody's been tellin me that you've been doing me wrong now what's going on between me and you now baby? somebody, somebody keeps tellin me to check up on my lover wont care to hear it but what bothers me is

-3- they all really know about us how you keep on doing me wrong and then singing that same old song and you dont really know about love said i've heard it all before and i dont wanna hear no more

-4- it's like my radio keep playin that same old song it goes on and on everytime you come my way my radio keeps playin that same old song and it wont be long before im on my way

-5- everybody, everybody keeps tellin me that you're no good for lovin and there's no way to believe in you because you keep on showing me that what they say is true now and what am i supposed to do when

-repeat 3- -repeat 4-

im on my way no no no ohhh

-repeat 4-

there's nothin you can say to me when i dont know what to believe i'd rather be without your love than listen to a melody theres nothin you can say to me when i dont know what to believe id rather be without your love than listen to a melody oh baby
