I used to mess around But I never let it get intimate
'Cause I didn't take you serious babe Now to be without
your love Only makes me realize What I could have had
in you, honey

2-Now that you're gone I want you more I said it
slapped me on my face And then my friends don't
understand Because I had the chance, I don't know why

3-I'm going crazy alone In a daze and my heart ain't
the same And I don't even think unless I think about you
That's the only time I get sentimental, yeah That's the
reason why baby I can't let go of you, yeah (rpt 1)

I miss you day and night Seems like you're still here I'd
rather be together honey, oh Now that I'm lost for
words I can't believe I'm on my own I should've been
looking at love (rpt 2, 3, 3, 1, 1, 2, 3, 3, 1...)
