Ooooooh Hey hey Ah yeah

Chorus

I'm going down When I hear the sound The sound of
my tears

Verse One

Always the life of the party Always the clown of the
class All of my friends see me happy baby But happy is
only a mask

Nobody knows When I'm alone, inside my room I sing
another tune

Chorus

I'm going down When I hear the sound The sound of
my tears When you're not around It's all I can do When I
listen to The sound of my tears Baby when I'm missing
you

Verse Two

Don't mind the sounds of the city baby Don't mind the
noise of the crowd Just when I'm lonely with my
thoughts of you The silence is always too loud

Pay it no mind You know the truth behind the smile It's
only just a lie Cause I'm...

Chorus

I'm going down When I hear the sound The sound of
my tears When you're not around It's all I can do When I
listen to The sound of my tears Baby when I'm missing
you

I'm going down When I hear the sound The sound of
my tears When you're not around It's all I can do When I

listen to The sound of my tears Baby when I'm missing
you

The sound...

Said I'm going, going down Said I'm going, going down

Oh The sound of my tears

Pay it no mind You know the truth behind the smile It's
only just a lie

Chorus

I'm going down When I hear the sound The sound of
my tears When you're not around It's all I can do When I
listen to The sound of my tears Baby when I'm missing
you

I'm going down When I hear the sound The sound of
my tears When you're not around It's all I can do When I
listen to The sound of my tears
