Feelin' kinda seperated
since our love is waited
It is surley faded
ay-ay-ay-ay
Dunno what to do
since i'm not with u
is our love true?
ay-ay-ay-ay-ay

Our love was gone
when u
told me those simple words
goodbye
my heart broken into millions pieces
and I
could not go on....
listen to my song

nite and day, I sit here wondering why?
Why, ay ay ay
And I need to, to find out something wrong
Cause, it was

Truly
Truly
Truly
Truly
Truly
Truly love was taking a turn
(taking a turn)
Was saying goodbye
(goodbye)
we were caught in the middle
(ooh)
Lets just say goodbye
ay-ay-ay-ay-ay-yea
ay-ay-ay-ay-yea
ay-ay-ay-ay-ay-yea
ay-ay-ay-(ooh)-yea baby

Playing around

with love
got us
no where and we should be
together
thats what
u said
and I
stupid me (yea, yea) believed u,
oh its been so long,
since I seen u,
and I
wonder if ur still thinking of me
or what it be like if we
were together (ooh, ooh, yea yea) again (oh-ooh-oh-
yea-yea-yeaa)
together again... oh cuz it's

Truly
Truly
Truly
Truly
Truly
Truly love was taking a turn
(taking a turn)
Love was saying goodbye
(goodbye)
we were caught in the middle
Lets just say goodbye

oh oh... now break it down
uh, uh.... aah...
Feelin' kinda seperated, since was on hold
But that you can't comit to, so baby your heart is cold
You were the best, and your love was so fine
I used to be happy when I used to call you mine
So just go away feelin' rejected as you would
But when I said I needed you, You misunderstood....
(ooooooh, oh... ow)

nite and day, I sit here wondering why?
Why, ay ay ay
And I need to, to find out something wrong
Cause, it was

Truly
Truly
Truly
Truly
Truly
Truly love was taking a turn
(taking a turn)

Love was saying goodbye
(goodbye)
we were caught in the middle
Lets just say goodbye
Repeat Chorus

End- Let's just say goodbye, huh.
