Uh  
Yeah

Ooh...baby, I didn't come here to fight  
Why you wanna mess with me  
Ooh...I'm always willin' to compromise  
But you ain't controllin' me, no

'Cause I...  
Came here to make love not war with you, babe  
So I try...  
To find some ways to make me feel good

Up and down, in and down  
That's what love is all about  
Always leaves with the bus  
Feelin' good, I'm so helpless

Up and down, in and down  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch the rhythm

Mmm...  
Mmm...mmm...

Ooh...you ??? and I don't look so sad  
So why you keep teasin' me  
Mmm...I can't see me bein' with nobody else  
'Cause you love me so crazy, yeah

'Cause I...  
Came here to make love not war with you, babe  
So I try...  
To find some ways to make me feel good

Up and down, in and down  
That's what love is all about  
Always leaves with the bus  
Feelin' good, I'm so helpless

Up and down, in and down  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch the rhythm

Up and down, in and down  
That's what love is all about  
Always leaves with the bus  
Feelin' good, I'm so helpless

Up and down, in and down  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch the rhythm

Uh

You know I'm in a sexy mood  
So why you gotta act a fool tonight  
You need to change your attitude  
'Cause I ain't arguin' with you, you're right

You know I'm in a sexy mood  
So why you gotta act a fool tonight  
You need to change your attitude  
'Cause I ain't arguin' with you, you're right

Up and down, in and down  
That's what love is all about  
Always leaves with the bus  
Feelin' good, I'm so helpless

Up and down, in and down  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch the rhythm

Up and down, in and down  
That's what love is all about  
Always leaves with the bus  
Feelin' good, I'm so helpless

Up and down, in and down  
Love keeps movin' us around  
To the beat like a drum  
And I don't know if I can catch the rhythm, catch the  
rhythm, mmm...ooh...

Are you feelin' me  
Are you feelin' me, baby  
Ooh...

I'm in the mood to make sweet love, yeah

You know I'm in a sexy mood  
So why you gotta act a fool tonight  
You know I'm in a sexy mood  
So why you gotta act a fool tonight
