Some people see rock & roll as youth culture,
and when youth culture becomes monopolized by big
business,

what are the youth to do?

I think we should destroy the bogus capitalist process
that is destroying youth culture by mass marketing,
and commercial paranoia behavior control.
And the first step is to destroy the record companies.

look at you and my blood boils hot, I feel my
temperature rise
I want it all, give me what you got, there's hunger in
your eyes
I'm getting closer, baby hear me breathe
You know the way to give me what I need
Just let me love you and you'll never leave

Feel my heat takin' you higher, burn with me, Heaven's
on fire
Paint the sky with desire, angel fly, Heaven's on fire

I got a fever ragin' in my heart, you make me shiver
and shake
Baby don't stop, take it to the top, eat it like a piece of
cake
You're comin' closer, I can hear you breathe
You drive me crazy when you start to tease
You could bring the devil to his knees

Feel my heat takin' you higher, burn with me, Heaven's
on fire
Paint the sky with desire, angel fly, Heaven's on fire

Oho Heaven's on fire, oho Heaven's on fire, oho

I'm getting closer, baby hear me breathe
You know the way to give me what I need
Just let me love you and you'll never leave

Feel my heat takin' you higher, burn with me, Heaven's

on fire

Paint the sky with desire, angel fly, Heaven's on fire
