Whether I'm right,  
Or whether I'm wrong,  
Time will go by, life it will go on  
When the light is on your side  
Love reveals itself to thee  
Then you can, yes you can,  
You can be set free

Every garden can grow  
Every mouth can form a smile,  
Let yourself go, ease your mind for a while  
When you're tired, and you're torn  
And humankind seems filled with misery

Then you can, yes you can  
You can be set free

I'm not an ordinary man  
I don't pretend to be  
I'd like to be extraordinary man,  
I'd like to know peace  
When the lights go out, I'm not lonely  
It's the only thing that matters to me  
I can, yes you can  
We can be set free  
We can know peace  
We can be set free
