"Blown Your Mind"

Do you ever feel
Like a fish out of water
Well I do sometimes
Do you ever feel
Like a lamb out to slaughter
Well I have
In my mind
Do you ever feel
like nothing is real
Tell me has it ever blown
Has it ever blown your mind
Do you ever feel
Through a Wisconsin winter
And still you had to go outside
Did you ever lose
But feel like the winner
And nothing could fuck with your pride
Do you ever feel
like nothing is real
Has it ever
Has it ever blown
Has it ever blown your mind
Do you ever feel
like a fish out of water
Cause I do
I do
Well I do sometimes
