Everyone has got a dream
You know what I mean
Everyone wants to see what they never see
You know what I mean

If you want me tonight I'm yours
For as long as I can be
And Everyone becomes invisible in the Land of Dreams

I watched the shadows dance, hear the crickets creak
Now I'm on the street
I've learned the robins song seen the mountain peak
Now it's time for sleep

So take me tonight I'm yours
And I've been craving your company
Everyone becomes invisible in the Land of Dreams

Everyone has got a dream
You know what I mean
Everyone wants to see what they never see
You know what I mean

So take me tonight I'm yours
For as long as I can be
Oh everyone becomes invisible in the Land of Dreams
I said now
Everyone becomes invisible in the Land of Dreams
