"Leaving My Love"

We have tried to tempt the wind
I can't change your mind
You're nothing without him
And I have tried to break unbroken chords
Tonight I'll cry
Tomorrow I'll no longer be yours
So I guess I'll be leaving this town
There's only one way up, so many ways down

And I can't believe it, I'm leaving my love
I can't believe it, I'm leaving my love
Said I can't believe it, I'm leaving my love
I can't believe it, I'm leaving my love

I think of you, whenever I cross that bridge
I wonder if you think of me too
I wonder if you're still here
And I'm not angry
I'm no longer sad
Tell me do you remember
All of that we had

And I can't believe it, I'm leaving my love
I can't believe it, I'm leaving my love
Said I can't believe it, I'm leaving my love
I can't believe it, I'm leaving my love
