Precious Loretta Lee Jones  
I wanna take you on home, I gotta take ya  
Lord I never do you wrong

I wanna take you to the seashore  
I'd like to take you back to my house  
Ain't gotta a house by the seashore  
Gonna figure a way to take you anyhow

Precious Loretta Lee Jones  
I wanna take you on home, I gotta take ya  
Lord I never do you wrong

I wanna take you to the seashore  
I'd like to take you back to my house  
Ain't gotta house by the seashore  
Gonna figure out a way to take you mama  
I never fake it but I just make you do it anyhow.

So I hear you walking my way  
Hear you asking my friend my name  
I'd die to call you baby  
You shake me up  
You make me shiver and smile

Precious Loretta Lee Jones  
I wanna take you on home, I gotta take ya  
Lord I never do you wrong

I wanna take you to the seashore.  
I wanna take you back to Margate  
I wanna take you to see Lucy  
Gonna figure out a way to take you mama  
I never fake it but I just make you do it anyhow

So I hear you walking my way  
Hear you asking my friend my name  
I'd die to call you baby  
You shake me up  
You make me shiver and smile  
I said I'd tame the wild

I may be dumb but I ain't in denial
