Say yes

Darling, nobody plans it this way
We're floating or falling
We're gonna land either way
Put your blue lipstick and I put on my venus boots
Somewhere in california, but it mind as well be the
Moon

Say yes
Say yes
Say yes

Darling
Nobody stands in our way
First thing in the morning
We'll be gone without a trace

Rolling down the highway
I feel good I confess
I know sometimes we disagree
But I preefer when you say yes

Say yes
Say yes
Say yes

Say yes
Say yes
Say yes

I could not believe it's true
I could not believe it's true

Darling, look

Nobody plans it this way
We're floating now we're falling
Somewhere in outer space
I keep on loving you
You know me better than the rest
Maybe we should flip a coin
And hold our breath

I could not believe it's true

Say yes
Say yes
Say yes

Say yes
Say yes
Say yes

Say yes
Say yes
Say yes
