After the lights go down low, baby, you know
There'll be no reason for teasin' me so
And when the dancin' is through and folks will be few
I'll be here sittin' with no one but you
And I'll be needin' you so after the lights go down low

I wanna hold you, squeeze you as tight as I can
I'd like to kiss you, please you and make you
understand
And when you thrill me, you fill me with love so divine
Together we can have a good time

After the lights go down low, baby, you know
there'll be no reason for teasin' me so
And we can cuddle up near without any fear
'Cause I've got some sweet talk that you want to hear
And I'll be needin' you so after the lights go down low

After the lights go down low, baby, you know
There'll be no reason for teasin' me so
And when the dancin' is through and folks will be few
I'll be here sittin' with no one but you
And I'll be needin' you so after the lights go down low

I wanna hold you, squeeze you as tight as I can
I'd like to kiss you, please you and make you
understand
And when you thrill me, you fill me with love so divine
Together we can have a good time

After the lights go down low, baby, you know
There'll be no reason for teasin' me so
And we can cuddle up near without any fear
'Cause I've got some sweet talk that you want to hear
And I'll be needin' you so after the lights go down low
