Al Stewart - Always the Cause

Bad news over the great divide
Comes in from every side
Still hope won't be denied
There was always the Cause
There was always the Cause

Oh La Pasionara sang
This day, no pasaran!
It echoed out in Catalan
There was always the Cause
There was always the Cause

Mariposa
Late nights waiting on the via dolorosa
Hold me closer
Not long now, oh ma bella hermosa
There was always the Cause

Setbacks come at every turn
New ways are hard to learn
Tonight I saw Guernica burn
There was always the Cause
There was always the Cause

Mariposa
Late nights waiting on the via dolorosa
Hold me closer
Not long now, oh ma bella hermosa
There was always the Cause

Three years gone in the heart of Spain
He brings home a quiet pain
He'll never be that young again
There was always the Cause
There was always the Cause
