Look out, look out, Phoenix cried  
My time must be at hand  
I'm feeling cold and I don't know why  
The ground moves where I stand.

All the lies she gave to me  
In words that twist and bend  
Now the only place for me  
Is down in the swallow wind.

Far off and long ago  
She came when I was young  
A silver moon shining in her eyes  
And strange the song she sang.

All so easy I trusted her  
I thought she was my friend  
Now the only place for me  
Is down in the swallow wind.

And I don't really know what to tell you now  
It's something I just can't control  
I thought you wanted to take my love  
Now you want my soul.

Last time I saw her  
She was standing in the sand  
The ashen moon was in her hair  
And a cross was in her hand.

I'm sailing alone, she cried  
Though I can't believe I sinned  
Now the only place for me  
Is down in the swallow wind.
