Al Stewart - Turn Into Earth

Turn into earth
Oh your restless hungry eyes
Speak of cloudy summer skies
The morning dew
Turns into rain
Lonely winds will blow my name

Dying leaves are seasons gone
Losing life as they drift on
Too soon in life
Return to earth
Only they can know their worth

Distant dreams of things to be
Wandering thoughts that can't be free
I blew my mind
Turning away
To the darkness of my day
(humming)
