Bring me a song for them bright  
Bring me a song just for tonight  
Bring me a song that I can't get right  
Bring me a song tonight

Nowhere to go  
Come with me  
No one to be  
Being with me  
Nothing to say  
Say my name  
There's no one to blame  
For the ending plan

Bring me a song something to feel  
Bring me a song please make it real  
Bring me a song I need to heal  
Bring me a song so real

Day after day  
Welcomes and goes  
Why won't it stay  
God only knows  
We can't go on  
Living so hard  
Nowhere to rest  
Rest in my arms

Nowhere to go  
Come with me  
No one to be  
Being with me  
Nothing to say  
Say my name  
There's no one to blame  
For the ending plan  
Nowhere to go  
Come with me  
No one to be  
Being with me  
Nothing to say

Speak from the heart  
Nowhere to rest  
Rest in my arms
