"Side Of The Lord"

Oh I must be on the side of the Lord
But I don't know if I'm inside or I'm outside
Oh I must be on the side of the Lord
But I don't know if I'm to the left or to the right

Oh--- I thought my mother was the Lord
Oh--- but how can that be when the Lord is a man

Oh I must be on the side of the Lord
But it seems these days like all the sides are changing
Oh I must be on the side of the Lord
But it seems like all the sides are rearranging

Oh--- we try so hard to be dead
Oh--- but how can it be that the world never ends

Oh I must be on the side of the Lord
But I don't know if I'm inside or I'm outside
Oh I must be on the side of the Lord
But I don't know if I'm to the left or to the right

But I don't know if I'm to the left or to the right
But I don't know if I'm to the left or to the right
But I don't know if I'm to the left or to the right
