(Deborah Allen)

My baby gives me satisfaction
My baby gives me all his love
Let's me know I'm his main attraction
No one else is gonna feel his touch
I love the way he drives me crazy
From now on I'm gonna love my baby

My baby is a full-time lover
My baby is a full-grown man
Makes me feel like a natural woman,
I know he's the only one who can

Rock my world and I don't mean maybe
From now on I'm gonna love my baby

No one can take me away from my baby
I'm holding on to Heaven in his arms

My baby is a rolling thunder
My baby is a south bound train
His love is like a long, hot summer
Calms me down like a cool, cool rain
His sweet wonderful ways amaze me
It's no wonder why I love my baby
I love my baby
I love my baby
