Down by the seaside. See the boats go sailin'  
Can the people hear, What the little fish are sayin'

Oh, oh, the people turned away. Oh, the people turned  
away

Down in the city streets, see all the folk go racin', racin'  
No time left, to pass the time of day

The people turned away. The people turned away  
So far away, so far away

See how they run, see how they run, see how they run,  
see how they run.

Do you still do the twist  
Do you find you remember things that well  
I wanna tell you... Some go twistin' every day  
though sometimes it's awful hard to tell

Out in the country, hear the people singin'  
Singin' 'bout their progress, knowin' where they're goin'

Oh, oh, oh, oh, the people turned away  
Yes, the people turned away

Sing loud for the sunshine, pray hard for the rain  
And show your love for Lady Nature. And she will come  
back again  
The people turned away  
The people turned away
