Following melodies
Sailing around the seas
Trying to find a land

My ship gets to the shore
I walk into your door
Can't you understand

All I want is love
All I want is love
I can't get enough
I can't get enough

All I want is love
All I want is love
I can't get enough
I can't get enough

So right is wrong to stand
Stay while I can feel your hand
I wished a dream would last

Searching for lover nights
I find it through disguise
Sometimes I go too fast

All I want is love
Ah... all I want is love
I can't get enough
A h... I can't get enough...

All I want is love
Ah... all I want is love
I can't get enough
Ah... I can't get enough...

REFRAIN:
Come on, come on, come on, come on
Give a chance to desire
Come on, come on, come on, come on
Give a chance to desire
Come on, come on, come on, come on

Give a chance to desire
Come on, come on, come on, come on
Give a chance to desire

You are the one
I could reach for the sun
But you let me go higher

I'll maybe believe when I
Find you won't leave
Give a chance to desire
