This morning is Monday, where are you now  
Teasing my memory, teaching me how to lay low  
When I don't want to

Your love is elusive, This i know now  
It's makin' me crazy, leaving me out in the open  
When I don't want to

Chorus:

Baby, I can't go through this again  
I don't need to go down, more than i've already been  
Just like a wildfire, you're running all over town  
As much as you burn me baby  
I should be ashes by now

The moment of pleasure just never do last  
They're gone like a suitcase full of your past  
Long gone and in a hurry

Repeat Chorus
