i guess he's workin' late again  
i don't need to wonder where he is  
but i do  
he oughta know that by now

i know his job takes a lot of him  
there's not much left for him to give  
but i need more  
he oughta know that by now

Chorus:  
it's not like he's gotta read my mind  
to know what i'm feelin' after all this time  
it's just too hard to hold onto what is  
never around  
he oughta know that by now

he used to promise soon things would change  
it's been years, and it's still the same  
and that hurts  
he oughta know that by now

i've grown so used to bein' alone  
couldn't be much worse if i were gone  
and in a way i am  
he oughta know that by now

Repeat Chorus

heartache and coffee at Midnight Hotel  
leavin' him was hard as well  
but i did  
and he oughta know that by now

i didn't try to explain  
no goodbye underneath my ring  
that was all i left  
he oughta know that by now  
that was all i left  
and he oughta know that by now
