"A Little Bit Of Rain"

If I should leave you, try to remember the good times
Warm days filled with sunshine
And just a little bit of rain
And just a little bit of rain

And if you look back, try to forget the bad times
Lonely, blue, sad times
And just a little bit of rain
Just a little bit of rain

And if I look back, I will remember all the good times
Warm days filled with sunshine
And just a little bit of rain
And just a little bit of rain
And just a little bit of rain

Just a little bit of rain
Just a little bit of rain
Just a little bit of rain
