Leave your cares behind
Come with us and find
The pleasures of a journey to the center of the mind

(CHORUS)

Come along if you care
Come along if you dare
Take a ride to the land inside of your mind
Beyond the seas of thought
Beyond the realm of what
Across the streams of hopes and dreams
Where things are really not

But please realize
You'll probably be surprised
For it's the land unknown to man
Where fantasy is fact
So if you can, please understand
You might not come back

(CHORUS)

How happy life could be
If all of mankind
Would take the time to journey to the center of the
mind
Would take the time to journey to the center of the
mind
Center of the mind
