

Radish "Bedtime"

Visit "[Bedtime](#)" on MotoLyrics.com

I think it's past our bedtime... let's go to sleep now,
yeah.

I think it's past our bedtime... let's go to sleep.

I think it's past our bedtime... let's go to sleep now,
yeah.

I think it's past our bedtime... let's go to sleep.

I don't understand the question.

I don't understand the question.

We crush a flower in heaven, violet envy.

We'll waste an hour in heaven, and go to sleep.

My inside is out, and you're winning.

Her children will not know beginning.

I don't understand the question.

I don't understand the question.

the question...
