Love doesn't come with a contract  
You give me this I gave you that  
It's scary business  
Your heart and soul is on the line  
Baby why else would I be standing round here so  
tounge tied  
If I knew what I was doing  
I'd be doing it right now  
I would be the best damn poet  
Silver words out of my mouth  
Well my words might not be magic  
But they cut straight to the truth  
So if you need a lover and a friend  
Baby I'm in I'm in baby I'm in I'm in  
Baby come on in the water's fine  
I'll be right here  
You take your time  
Just let me hold you  
And we'll both take that leap of fait  
It's like I told you there's no guarantee when you feel  
this way  
If I knew what I was doing  
I'd be doing it right now  
I would be the best damn poet  
Silver words out of my mouth  
Well my words might not be magic  
But they cut straight to the truth  
So if you need a lover and a friend  
Baby I'm in I'm in  
Baby come here next to me  
I'll show you how good it can be  
I'll breathe each breath you breathe  
I can pour out everything I am  
If I knew what I was doing  
I'd be doing it right now  
I would be the best damn poet  
Silver words out of my mouth  
Well my words might not be magic  
But they cut straight to the truth  
Now if you need a lover and a friend  
Now if you need a lover and a friend

Baby I'm in I'm in baby I'm in I'm in

I'm in I'm in

Baby come here next to me

I'll show you how good it can be

I'll breathe each breath you breathe

I can pour out everything I am

Baby come here next to me

I'll show you how good it can be

I'll breathe each breath you breathe

I can pour out everything I am

Baby come here next to me

Baby come here baby come here
