Radney Foster vocals/acoustic guitar

Jay Joyce guitar

Rami Jaffee keyboards

Bob Glaub bass

Chad Cromwell drums

Day after day

The search goes on

No one's explained

That craving so strong

Love runs so deep

Down in your soul

It hits me so hard

All that I know

Baby the lucky ones

Baby the lucky ones

Baby the lucky ones

For a moment or two get to fall in love with somebody
like you

Get to fall in love with someone like you

They say use your head

Don't lose control

To hell with that pride

I swallowed it whole

Cause nothing but love

No one but you

Could make such a hero of such a fool

Baby the lucky ones

Baby the lucky ones

Baby the lucky ones

For a moment or two get to fall in love with somebody
like you

Get to fall in love with someone like you
