Thrilled to be in the same post code as you  
I tell you things I know you'd like to know  
Treat you to cake every night  
Suddenly talk and it will make you fright  
Smile at me and I'll hold you really tight  
Follow you into bed  
Run around all morning  
We'll stay awake all night  
We'll repeat the same stories but of course never in  
front of friends  
How it all started in the kitchen

Remember the time you said we should wait a while  
You'd let me know when you changed your mind  
Yeah I was sad for some time  
But 12 hours watching me at the wheel  
Made me realise what you really feel  
Won't have to hurt anymore  
Walking you home along Mt. Vernon St.  
You told me secrets I was shocked to know

I'm gonna be in the same post code as you  
Come to visit maybe never go
