Waiting for something to break  
Left my heart out to bake  
Nothing there in my glass  
Wasn't never made to last

Hope in my past

All the way down to the lake  
Found the lake was wet  
How much more could I take?  
Better yet  
Walked back home to my place  
Tired of getting high  
Guess I don't wanna die

Hope in my past

Waiting for something to break  
Left my heart out to bake  
Slipped my mind that I could use my brain  
I'll stay up all night and crash on the plane  
A ship without a rudder is like a ship without a rudder  
is like a ship without a rudder
