[Black Thought]

Yeah yeah yeah, yes I, no doubt yes I (P-5-D)

Check it out, yo yo

Areegato, to all my people in Japan

Whether you rockin Cartier or Pierre Cardan

I'm barging in like excuse, I beg your pardon

To crush carbon copy MC's wit clone jargon

Move the crowd to leave the microphone sparkin

Leave you caught inside the lines of my page beneath  
the margin

Now we could mud-sling to cease the foul-talkin

I personally would rather keep things peace, but it's  
your option

I hit the block wit hip-hop, it's like oxen

Stampede wit lyrical heavyweight boxing

Yo, just give thanks it's the new shit

For y'all to ever try to sleep on this is stupid

My thought's deep like the upright acoustic

Bass, Cold Crush like Charlie Chase

To keep the ladies grindin like a slow jam

You just a slow-jam fizz kid, get wit the program

My style hundred proof, I pause for no man

The Fifth Dy-nas-ty, that's the slogan

>From S-P to West-P to Logan

The planet is a parachute, I got em open

Aiyyo I'm out there, aiyyo I'm still out there

Worldwide yo I'm still out there, Roots Crew forever out  
there

Aiyyo I'm out there, SP to the, out there

Aiyyo I'm out there, what, I'm still out there

Check it out yo (worldwide) I'm still out there check it  
out

C'mon, yo I'm out there, aiyyo I'm still out there

Roots crew to the to the to the to the

Y'all know the name, I got game like an Evangelist

Relax to my man D'Angel-ist, who could ever cancel this

Music growth, it's cancerous not glamorous

Yo the lifestyle I embrace to some scandalous

I chop joke MC's like choke sandwiches

And backslap the snare drum open-handed wit my vocal  
So I'm far from lo-cal  
My peoples got to keep me in they fo-cal  
Perform Al Jerome style, then act like you know now  
Surf the internet, inspect my profile  
Return to menu if you miss this  
Your girlfriend said my music is futuristic  
Then kissed me on my neck, left marks of lipstick  
Then came to the spot and we got lifted  
I rip shit on the solo unassisted  
Or wit Malik and the Fifth Click, so y'all should keep  
your lips zipped  
Y'all don't know what it's about, get on route  
I hold it down wit no doubt and sip Stout  
And got the hot record out  
Y'all need to let your necks snap back, check it out,  
word up

Yo I'm out there, ayyo I'm still out there  
Worldwide son I'm still out there, check it out  
Roots crew forever out there, you know I'm still out  
there  
What what what out there, knamsayin  
To you out there, P-5-D out there  
What what, S-P out there yaknamsayin (S-P forever)  
Philly out there, ayyo I'm still out there (2-1-5th)  
S-P to the, to the to the to the

Aiyyo so what's the Fifth then? The Million Dollar  
Question  
We veterans, lyrically threatening freshmen  
Y'all lookin at next year, I see the next ten  
And front on me strategically, plan positioning  
Out there, steppin into your world I'm visitin  
Discography time less you keep listenin  
Within the crevices these clones is missing in  
Action, mysterious magnetic attraction wit that thing  
My melody like Nat King, and MC's is so un-inter-esting  
Forever givin y'all the next best thing  
I give it to you like pink champelle and ink bing  
I drink Yuengling, JaRoots and Ginseng  
You testin me, ock? yo what was you thinkin  
You buggin off the energy the king bring  
A delivery that you're forever remembering

Aiyyo I'm out there, ayyo I'm still out there  
S-P (worldwide) out there, check it out  
It's the Roots, we out there  
Aiyyo I'm still out there, Roots Crew out there  
Check it out, ayyo I'm out there

We infinitely out there, worldwide son check it out  
Out there check it out (S-P), aiyyo I'm out there  
Aiyyo I'm still out there, what what (P-5-D, Roots Crew  
out there)
