Chorus

The, The love of my life is, is here tonight and I'm
gonna make him mine
I, I love the way he pretends not to care but I know that
he'll always be there

Verse 1

My world is coming to life with him, all my worries just
start to fade no one could make me happier cause the
love inbetween is strong
Stronger than anything, and I can't take it
Cause he makes sure that I know who I really am and I
do, I do

Pre chorus

And he showed me everything that I could be
He makes me feel so dizzy and I always feel okay

Chorus

The, the love of my life is, is here tonight and I'm
gonna make him mine
I, I love the way he pretends not to care, but I know that
he always will
Cause the love of my life Is you
