Ain't it funny
The turns life puts you through
Don't know what's round the bend
Lord you don't know where it's leading you

Close your eyes, say a prayer
Take it on the chin
It's the darnedest thing
Who comes round again

Baby, I thought that love was
Over and gone forever
Never gonna come back to me
Never gonna hold me again

But your love
Pounds in my heart like thunder
Flashes through me like lightning
Making me believe again

Don't know what I'm supposed to say
Ain't got a clue 'bout what I need to do
All I know is how I feel right here
Right now with you

Baby, I thought that love was
Over and gone forever
Never gonna come back to me
Never gonna hold me again

But your love
Pounds in my heart like thunder
Flashes through me like lightning
Making me believe again

Baby, I thought that love was
Over and gone forever
Never gonna come back to me
Never gonna hold me again

But your love
Pounds in my heart like thunder

Flashes through me like lightning
Making me believe again

Making me believe again
Making me believe again
