Look all in this dippy?fuck some  
Up in the bentley truck, rolling a blunt, stunting  
The train is right there is a g  
At the net game for free  
Sweats on, rolext for me  
I like the sex cause, give em jaw suggestions  
Drunk in the penthouse with draws on excelent  
Listening to comadoors, blue magic hole in a new  
clapper  
I shot the masseuse who tappin em  
Whole lot of character, check out the big man  
Jury game hard, checkin in diss land  
I got the seeds with me, plead with me  
Don?t wanna catch no bodies, don?t diss me  
Believe me  
Up in the ritz high as hell,  
Kicks cost 27 hunneds, them sheets came with bells  
I?m more flash than the president  
So either your favorite rapper,  
He could wear the suit while I black up  
At last, meet the greatest, his click canadiands  
Fuck around yo and keep debating  
Money bags we rock certified word from the murder  
guys  
Who don?t fuck around but burglarize  
Tax rackets and sales shout out thankfully  
I got a fish tank that spank you stank for me  
Hunned floors up the doors and it ain?t no key  
Put your finger on the angle and bling to me  
Yeah relay hand concerts, holding it down  
Yeah that?s wound in the flesh, he a monster

How can I, love somebody else  
If I can?t know myself enough to know  
When it?s time, time to let go  
Say, all I really want, is be happy  
To find a love that?s mine  
It would be so sweet  
All I really want, is be happy  
To find a love that?s mine  
It would be so sweet

I gots for a sign, promised me lord above  
I know the answer as if I love me  
But when you think you?re in love  
You only see what you wanna see  
And all I see is me for you  
And you for me  
Oh I cannot hide the way I feel inside  
I don?t know why but everyday I wanna fly  
If I give you one more try
