[Raekwon]

Call me the flyest jewel thief in the town jewelry
nympho with info
All I need is three hold me down where the joints at chill
Its one big rockless glass And it's blue play it low when
we snatch that
Rock your black outfit kid Im going out kid you all
mouth kid
Be the driver chill out kid Snatch the glass the we all on
hold on Lord
Who holding it who bought the idea duke it's over with
No funny guy business what is this it's just realness
Its only us who willing to steal this
Got my whole life on it Mans wife on it throw my black
Nikes on it
With sons ready to lke for it my position is contain yal
Sort of like dope fame on yal
Blowing game on yal Lets get this paper
Start vaporizing think about legalizing
Plus you went wrong now im Penalizing

[Chorus 2x: Chip Banks]

Diamonds, grande y azul
Aiiyo we got chopo
And you can get some too
Take money

[Raekwon]

Yelling out asta la vesta last name masesta mean feon
smoke with feces
Publicize this im go rise don in disguise
That will throw his arm out of five that fly
Jewel specialist fool specialist
Move like Professionalist strengthen paper excellent
Might be painting your town
Throw the drink down blowing it real-estate style
Feel my weight now Chilling healthy
And came up game up tore the frame up
Got to vote for the mayor later
Snatch something I believe in some call it thieving

But I call it extra dough on the weekend
Me and my family breezing so much ice it's Freezing
The Dean switching up for a reason out of nature we be
g'ing
Some of these spots Korean That saten gleam got me
peeing??

[Chorus 2x: Chip Banks]

We get chop dough?
And you know it's true
Ayo we get chop dough
And you can get some to

[Raekwon]

Ayo the topic is laying in the tropics I'll ass clique to
rock with
We deligating on the block kid money invested in a
deal
Lets stress it on the real side burning big phills holding
bills
Technique Made us all meet Made me sit back repeat
each
Started from the fame of the week
This is glory mandotory phat dough
Rocking my hand to bring cash to support me

[Chorus: 2x]
