You can ask for sitting in a pew under that pottery
painted glass
Search for it in shadows hidden deep in your
checkered past
I feel sometimes like you're looking for a
ghost
But then you see it the eyes of the ones that love you
most

Forgiveness, everybody needs it; Forgiveness, give it
and receive it
Sometimes the toughest thing you can give yourself;
Forgiveness

I don't think it's ever too late to learn to sing a
different song
Pick up those tools you left out and put 'em back
where they belong
I can't handle yet what hurts me the most
But standing here saying this to you tonight means that
I'm getting close to

Forgiveness, everybody needs it; Forgiveness, give it
and receive it
I'm learning that's what love is all about;
Forgiveness

In my Father's house I learned that lost time is just
a sin
Each wrong I leave that I don't right might haunt
me till the end
We worked so hard at the perfect life, we forgot to live
And I'm sorry that what you needed most, I
didn't know how to give

Forgiveness, everybody needs it; Forgiveness, give it
and receive it
It's as easy as I'm sorry from the lips of
someone else
And the toughest thing you can ever give yourself;
Forgiveness
