Well, I don't know where this is going baby  
It's good, it's easy, it's hard and it's crazy  
But it sure feels right  
Yeah it sure feels right  
Hey, it feels all right

(CHORUS)

Every kiss, every touch,  
I'm not sure that my heart can take this much  
I feel so weak; so strong  
It's the wildest ride I've ever been on  
It's clear, it's true  
It's me and it's you  
And it sure feels right to me

Well the safety valve just got knocked clean off  
We're running kinda hot  
No telling what it costs  
But it sure feels right  
Hey, it feels all right  
Love so beautiful it scares you to death  
It grabs you and shakes you  
It makes a big mess  
But it feels all right  
Hey it sure feels right

(REPEAT CHORUS)

(BRIDGE)

It's a real sweet ride  
It's a real slick fit  
It's a dangerous deal  
It's more than I can handle darling  
But I love the way it feels with you

(REPEAT CHORUS)
