Sugar when were in the same room
I keep thinking oh youre fine
But not mine
You bellong to somebody else
So do i sugar
You belong to somebody else
So do i baby
Sugar id love to love you
Rock me baby
Rock me all night long
Rock me baby
Rock me all night
All night long

Sugar there is something calling
Begging me to
Go astray
A cliche
(Im) better off with strawberry wine
What u say sugar
Better off with strawberry wine
What u say baby
Sugar baby i keep felling
Rock me baby
Rock me all night long
Rock me baby
Rock me all night
All night long

Sugar yes you drive me crazy
Leave me weak and
Unfulfilled
All down hill
You bellong to somebody else
So do i, sugar
You belong to somebody else
So do i, baby
Sugar id love to love you baby
Rock me baby
Rock me all night long
Rock me baby

Rock me all night
All night long

Sugar yes you drive me crazy
When were in the same room
There is something calling
You are someones sugar
