[Slick Rick Talking]

Yeah bartender can I get a Hennessy on the rocks?  
And a Long Island Ice Tea? Thank you...  
Didn't I tell you this club was dope?  
Yeah you wasn't lying kid, it definatly is...  
Look at this they all over the place  
Yeah one second hun, slow down, slow down  
Yo James, get her off me  
Yo back off shorty  
Alright would you slow the hell down?  
Back off shorty...

Verse 1:

[Slick Rick]

Like everyone was chasing my fine ass  
But when Aaliyah walked in the whole place went  
bananas  
I'm playing for most of my perks  
And they offering the hun free Cristal the works  
Not to mention smelled good, looked dope  
I brought me a bottle so I wouldn't look broke  
Stepped like a Big Willie Woodgewell playa  
Sign this thousand dollar bill for me, Aaliyah

Verse 2:

[Aaliyah]

I used to go out to parties and stand around  
'Cause I was too nervous to really get down  
But my body yearned to be free  
I went off on the floor so somebody would choose me  
No more standing upside the wall  
Now I got myself together baby and I'm having a ball  
Long as your grooving there's always a chance  
Somebody watching might wanna make romance  
Move your body, ooh baby, and dance all night  
To the grooving, feel all right  
Move your body, oh and move your feet  
Cause the DJ's groovin', oh and it sounds so sweet,  
come on  
Baby just party on and on  
Cause this party is jumpin' till the break of dawn, oh

Verse 3:

[Slick Rick]

Well I peeled off one more thousand and hand her  
One more please from my girlfriend Amanda  
Rick, honey with that butt like ka-pow wanna but you a  
drink  
Tell shorty not now

Verse 4:

[Aaliyah]

You can have me when you want me baby  
This is such a live party baby  
Going crazy in this place tonight  
And the feeling is oh so right, yeah  
All the fellas in here are so fine, oh  
When you're moving your body  
Boy you're blowing my mind  
I think I'm gonna let you do it baby

Verse 5:

[Slick Rick]

One more comment since my time is out  
Love that song where you say that line about  
'You're a positive motivating force within my life'  
No kidding, hit 'em  
Named ruler and the ruler wouldn't lie to ya  
Whack singing huns all squirm at the sight of ya  
Us, we some more Ladi Dadi'ens.  
Let me let you go so you can attend to your audience

Bridge:

[Aaliyah]

Sexy baby, sexy baby, sexy baby, sexy baby  
Sexy baby, sexy baby, sexy baby, sexy baby, baby  
Oh, oh baby, oh yeah, ooh
