sometimes in the morning  
when shadows are deap  
i lay here beside you  
just watching you sleep  
and sometimes i whisper what iÃ, 'm thinking of my cup  
running over with love sometimes in the evening when  
you i started small thing with you constantly i memories  
moments that i found star my cup running over with  
love and only in the moment we both will be old we  
wont even notice the world turning old and in this  
moment the sunlight above my cup running over with  
love
