"Come On"

It's an open invitation Everybody's free to come
Try to solve the situation
The four corners have been undone
And it's no mystery Just a thin line in the sand
Never fails to frighten me
When you don't understand

come on come on come on

Come and share a smoke with me We'll try to make a
plan
It's all so tense you see In every nation Every land
And it's no mystery man-made clouds block the sun
It never fails to frighten me that these things can't be
undone

(chorus)
Come on
Come on and see
come on and see the love 2x
come on

Now you hold your breath and wait
To see how it turns out in the end
I know it's hard to keep your patience
You know the message has been sent
And it's no mystery Every nation Every land
Open up your eyes and see
Before it all gets out of hand

Come on
Come on and see
come on and see the love 4x
come on
(music)

Come on
Come on and see
come on and see the love 4x
come on
